Brief History :

Sri Velagapudi Ramakrishna Government Degree College for Men, Nidadavole was established in 1971. Simultaneously, the College Library was started with a small collection of Books. Gradually, year-by-year, several books of all subjects were acquired and it became as a full-pledged Library. It is named as College Library Information Centre (CLIC). It has a valuable and very good collection of books relating to various subjects.

The Collection Library has a total collection of 18,598 books relating to various subjects. It has General books, Reference books and Book-Bank books for S.C & S.T students. It is member of N-LIST (a programme of INFLIBNET) to provide remote access to users to huge number of e-resource. Many CD's and DVD's and daily news papers are also available in library collection. Every department has a sectional Library.

Recently it is partially automated with SOUL software. To update knowledge of users and increase number of visitors conducting various academic activities, celebrating various national and international days and etc...

VISION :

- To provide a student-centered learning environment that facilitates transference of information and to cater to the needs of its users to access it.
- To explore and implement innovative technologies and services to deliver information and scholarly resources, conveniently to students and faculty in the campus.
-

MISSION :

- To provide comprehensive resources and services in support of teaching and learning needs of the academic community
- Putting technology to use innovatively for the flexible delivery of services and resources to users regardless of location within the campus.
- To facilitate access to right Information at the right time in the right manner so as to produce productive citizens to this great nation in general and to our community in particular.

Objectives of the Library :

- To help the readers improve and up-date the knowledge in various branches of learning.
- To acquire and disseminate information through off line.
- To education the students on contemporary, social, economic, political and cultural aspects through latest books, journals, periodicals and newspapers.
- To inculcate the reading-habit by means of attracting the students and the teachers through computerized Library.
- To install competitive spirit among the community.

Five laws of Library Science :

1. Books are for Use
2. Every Book has its Reader
3. Every Reader has his/her Book
4. Save the Time of the Reader
5. Library is a Growing Organism

Infrastructure, Services and Activities :

Infrastructure :

College Library and information Centre (CLIC) is centrally located and easily accessible to all the students and faculty. It's total area is about Sft. There is separate reading room and reference room.

Highlights of the College Library and Information Centre :

- The 52 year old General Library is having good collection of books of various subjects and rare collection of reference books like Americana Encyclopaedias.
- Recently, we have computerized the library records with the support of SOUL software supplied by INFLIBNET, Ahmedabad.
- On-line Public Access Catalogue (OPAC) is available for use of students as well as faculty members.

Plan of action for the next five years:

- 1. Proposed for complete Library Automation and to provide OPAC Services to the users
- 2. A Separate E-Resource centre to be setup as a part of our library Digital library.
- 3. Planned to increase as no of computers to utilize Electronic resources
- 4. Bar-coding work completion within year to whole collection
