Brief Report :

Teachers' Day was celebrated with great enthusiasm at SVR Government Degree College, Nidadavole. On this occasion, the students expressed their gratitude and respect towards the teaching faculty by felicitating all the teachers.

The programme was graced by the Chief Guest, Dr. K. Jyothi, Principal, along with Vice Principal E. Nageshwar Rao, IQAC Coordinator Dr.T.Hanumantharao, and Academic Coordinator Dr. P. S. S. Sravanti. The dignitaries highlighted the invaluable role of teachers in shaping the academic, personal and professional lives of students.

The students conveyed their heartfelt appreciation to the teachers for their guidance, encouragement and continuous support. The felicitation programme reflected the strong bond of respect and affection between teachers and students.

Teaching and non-teaching staff, along with the students, actively participated in the celebrations and made the programme a memorable one.

Brief Report :

The Department of Library and Information Science at S.V.R. Government Degree College, Nidadavole, observed International Literacy Day on September 8, 2026, to highlight the transformative power of literacy and continuous learning.

To mark the occasion, an Essay Writing Competition was conducted for students in the I B.Com classroom. The event saw enthusiastic participation across disciplines, encouraging students to express their perspectives on literacy, critical thinking, and social development.

The programme was graced by Dr. K. Jyothi, Principal, who attended as the Chief Guest. Addressing the gathering, Dr. Jyothi emphasized the vital role literacy plays in empowering youth and building an informed society. She encouraged students to cultivate regular reading habits and utilize college library resources to their fullest potential.

Dr. K. Jasmine, Library In-Charge, highlighted how foundational reading skills foster academic excellence and analytical capabilities. Sri K. Chakradhara Rao, Librarian, coordinated the session and briefed participants on the role of institutional libraries in providing equitable access to knowledge, digital resources, and lifelong learning tools.

The event concluded with words of appreciation for all student participants, reinforcing the college's ongoing commitment to literary engagement and intellectual growth.

FIELD VISIT TO
"SRI VENKATA DURGA SAI GANESH TIMBERS"

Co-Ordinator :
Dr.P.S.S.SRAVANTHI

Date & Time ***: 08.09.2026 at 11 am***

Name of the Programme ***: Field visit to "sri Venkata Durga Sai Ganesh timbers"***

Resource Person ***: Mr.Santosh***

Brief Report ***:***

As part of the Institution's Innovation Council (IIC) activities, Botany Major students have undertaken a field visit to Ramakrishna Saw Mill (Timber Depot), Nidadavole to gain practical exposure to the structure, types, properties, processing and commercial applications of wood.

The visit aims to connect classroom knowledge with real-world opportunities, develop an understanding of the timber industry and encourage students to identify innovative ideas, value-added products and sustainable business opportunities based on plant resources.

It will also help students develop an entrepreneurial mindset by observing industrial practices, understanding market needs and exploring possibilities for becoming future entrepreneurs in the field of plant-based resources and sustainable enterprises.

STUDENTS' FIELD TRIP AND VISIT
AWARENESS PROGRAM & SCIENCE EXHIBITION ON
"ATOMS IN THE SERVICE OF THE NATION"

Co-Ordinator :
Sri.E.NAGESWARA RAO

Date & Time : *09.09.2026*

Name of the Programme : *Awareness Program & Science Exhibition on "Atoms in the Service of the Nation"*

Venue : *Godavari Global University, Rajahmundry*

Organized by : *APCOST–IGCAR–GGU*

Department : *Department of Physics*

Brief Report :

STUDENTS' FIELD TRIP AND VISIT

Awareness Program & Science Exhibition on "Atoms in the Service of the Nation"

The Department of Physics, SVR Government Degree College, Nidadavole, organized a students' field trip and educational visit to Godavari Global University, Rajahmundry, on 09.09.2026 to participate in the "Awareness Program & Science Exhibition on Atoms in the Service of the Nation", conducted by APCOST–IGCAR–GGU.

The program was aimed at creating awareness among students about the peaceful applications of atomic energy and the role of nuclear science and technology in national development. The students had an opportunity to learn about various aspects of nuclear science, atomic energy, radiation, nuclear reactors, and their applications in areas such as power generation, medicine, agriculture, industry, and scientific research.

The Science Exhibition provided students with an opportunity to observe scientific models, exhibits, and demonstrations related to atomic and nuclear science. The exhibits helped the students understand complex scientific concepts through practical and visual learning. The interaction with experts and resource persons further enhanced their understanding of the applications of nuclear technology and its importance in the development of the nation.

The visit served as an effective platform for experiential learning and encouraged students to develop scientific curiosity and interest in advanced areas of physics. It also helped them relate the concepts studied in the classroom to their practical applications in society.

The students actively participated in the awareness program and visited the exhibition with great enthusiasm. The field trip was highly informative and educational, providing valuable exposure to the students to the peaceful uses of atomic energy and the contributions of nuclear science and technology towards nation building.

“Know Our Plants – Discover Their Medicinal Value”

The Department of Botany, SVR Government Degree College, Nidadavole, organised an exhibition of the traditional Patri plants used during Ganesh Chaturthi by Botany Major students.

The students exhibited and explained the Sanskrit name, common name, scientific name and medicinal properties of the plants. The activity helped students connect traditional plant knowledge with botanical and scientific understanding, while creating awareness about the meto appreciate the health, environmental and educational value of our native plants and promoted learning beyond the classroom.

dicinal importance and conservation of plant resources.

The exhibition also encouraged students to appreciate the health, environmental and educational value of our native plants and promoted learning beyond the classroom.

As an Institution’s Innovation Council (IIC) activity, this exhibition provides Botany Major students with an opportunity to explore the entrepreneurial potential of medicinal plants traditionally used as Patri.

By documenting their Sanskrit, common and scientific names, medicinal properties and possible applications, students are encouraged to identify value-added products, innovative ideas and sustainable business opportunities based on plant resources.

The activity aims to develop innovation, problem-solving, product-development and entrepreneurial thinking, inspiring students to transform traditional plant knowledge into future entrepreneurial ventures while promoting sustainable use of biodiversity.

AWARENESS PROGRAM ON "SAY NO TO DRUGS" & CYBER CRIME

Co-Ordinator: Dr.K.JASMINE

Date & Time *: 15.09.2026.*
Name of the Programme *: Awareness Program on "Say No to Drugs" & Cyber Crime*
Resource Person *: Sri Y. Venkata Rao (ASI) and Sri T. V. V. Srinivasulu (Police Constable)*

Brief Report :

The Eagle Club of SVR Government Degree College, Nidadavole organized an awareness program on 15.09.2026 to educate students about the harmful effects of drug abuse. The program was conducted under the guidance of the Chairperson, Principal Dr.K.Jyothi.

The program was coordinated by Dr. K. Jasmine and Dr. K. Prabhakar Rao. The theme of the awareness session was "Say No to Drugs."The resource persons, Sri Y. Venkata Rao (ASI) and Sri T. V. V. Srinivasulu (Police Constable), addressed the students. They explained the physical, mental, social, and legal consequences of drug abuse and encouraged students to stay away from drugs and other addictive substances. They also motivated students to adopt healthy habits, maintain self-discipline, and contribute to building a drug-free society.

The session was interactive and created awareness among students about making responsible life choices. The program concluded with a pledge by the students to remain drug-free and spread awareness in society.

HINDI DIWAS - HINDI STUDY MATERIAL DISTRIBUTION

Co-Ordinator:
Dr.K.JASMINE

Date & Time : ***15.09.2026 (14.09.2026)***

Name of the Programme : ***Hindi Diwas - Hindi study materials distribution***

Brief Report :

On the occasion of Hindi Diwas (September 14, 2026) , Sri K. M. Anand (H/O Dr.K.Jasmine, lecturer in Hindi) donated Hindi study materials to IIIrd-semester students on September 15, 2026 at our college.

College Principal Smt. Jyothi appreciated Sri Anand for his generous initiative to support the students' academic growth and urged the students to utilize the books effectively to achieve excellence. Faculty members and students were present at the event.

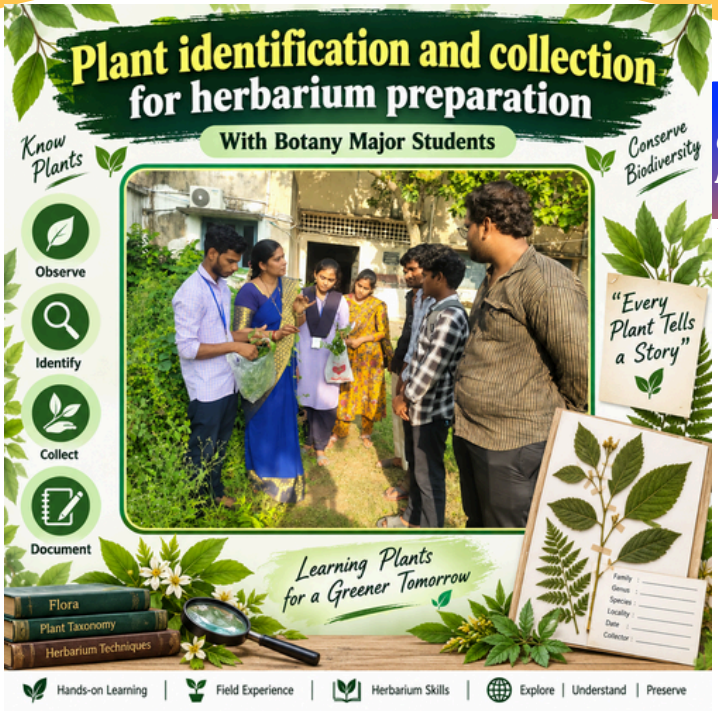

PLANT IDENTIFICATION AND COLLECTION FOR HERBARIUM PREPARATION

Co-Ordinator: Dr.P.S.S.SRAVANTHI

Date & Time : 15.09.2026

Name of the Programme : Plant identification and collection for herbarium preparation

Brief Report :

A plant identification and collection activity was conducted with Botany Major students as part of their practical, field-based learning. Students were guided in observing plant characteristics, identifying different plant species, and collecting suitable specimens for herbarium preparation.

The activity provided hands-on experience in plant taxonomy, field observation, specimen collection, documentation, and preservation. It also helped students understand plant diversity and develop practical skills essential for herbarium preparation and botanical studies.

Outcome: The activity strengthened students' practical knowledge of plant identification and encouraged them to appreciate and document local plant biodiversity.

STUDENT SEMINARS TO 3RD SEM AND 1ST SEM STUDENTS

Co-Ordinator: Dr.P.S.S.SRAVANTHI

Date & Time : 19-09-2026

Name of the Programme : Student Seminars to 3rd sem and 1st sem students

Brief Report :

Student seminars are crucial for boosting knowledge, critical thinking, and communication skills. They provide practical experience, exposure to new ideas, and a break from traditional classrooms, making learning more effective and motivating students to explore deeper into subjects.

NATIONAL SEMINAR BROCHURE RELEASE

Co-Ordinator:
Dr.T.HANUMANTHA RAO

Date & Time : ***21.09.2026***
Name of the Programme : ***National Seminar Brochure Release***
Brief Report :

Department of Economics , Political Science & Women Empowerment Cell with colobration of IQAC are going to conduct " One Day National Seminar on Econoimic Independence and Political Participation of Women in Contemprary India" on March 5th 2027.In this connection the organizing Committee of this seminar arranged Brochure Release occassion on 21.09.2026.

GUEST LECTURE

Co-Ordinator:
Dr.P.S.S.SRAVANTHI

Date & Time ***: 28-09-2026 AN***

Name of the Programme ***: Guest lecture***

Resource Person ***: Sri. A.Sudheer Babu, Lecturer in Botany, DRG Government Degree College, Tadepalligudem***

Brief Report :

A guest lecture on the monohybrid cross bridged the gap between textbook genetics and real-world scientific application. It is the foundational experiment used by Gregor Mendel, the father of modern genetics, to discover how traits are passed down from parents to offspring, which helps in transforming this foundational concept into an engaging, practical learning experience.

NATIONAL DEWORMING DAY

Co-Ordinator: Sri V.RAJU

Date & Time : 28-9-2026
Name of the Programme : National Deworming Day
Brief Report :

*National Deworming Day - 2026 was observed on 28th September 2026 in *SVR Government Degree College* under the aegis of the *Red Ribbon Club*.*

On this occasion, Albendazole tablets were administered to the students to protect them from intestinal worm infections and to create awareness about the importance of deworming for good health, nutrition and academic performance.

The Programme Coordinator of the Red Ribbon Club addressed the students and highlighted that worm infections lead to anaemia, malnutrition and weakness, especially among adolescents. Students were educated on maintaining personal hygiene, hand washing, use of clean drinking water, and sanitation to prevent re-infection.

A large number of students participated actively in the programme and made it a success.
