

SVRK GOVERNMENT DEGREE COLLEGE NIDADAVOLE

FEEDBACK REPORT 2022-2023

SVRK Government Degree College collected feedback on the college's Teaching and Learning Process for the academic year 2022-2023. It was gathered offline from parents, teachers, parents, and alumni. Students' input includes a variety of questions, as do the responses of other stakeholders.

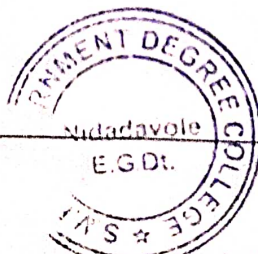

Class Mentors are told to distribute the questionnaire, which is then collected. The goal of the feedback was conveyed to the students before it was distributed. If the pupils do not grasp the questions or parameters, the mentor must clarify them thoroughly. The IQAC arranged for the examination of the acquired data based on input from class mentors. The results of the analysis were collated and graphically presented.

According to the feedback analysis w it may conclude that

1. Overall the students about 90% are felt very happy with the completion of the syllabus, Teaching Learning methods and extra-curricular activities
2. Some the students nearly 15 to 20% were unhappy about some facilities like play ground , drinking water.
3. More number of ICT related class
4. Daily assignments and field trips
5. Students urged to provided more functional computer in the college
6. Regarding remedial coaching, student centric activities , they were given positive feed back .
7. About 85% of students were satisfied about the extra curricular activities in the college.
8. 10 to 15% expressed unhappy related to sports and games.

The aforementioned feedback was presented to all faulty members for discussion and future action.

ACTION TAKEN REPORT ON FEEDBACK 2022-2023

SVRK Government Degree College's Internal Quality Assurance Cell took the initiative to create the Feedback Report for the academic year 2022-2023, which was presented to the staff council chaired by the college's principal. The council considered the feedback report, and the positive efforts were acknowledged. The council meeting decided to implement the following actions to strengthen and enhance the overall operation of the college.

1. Students were motivated to join PG courses to enhance their skills.
2. Sports and games facilities were improved in the college. Gymnasium with modern equipment is present in the college.
3. It is planned to enroll more number of NSS students to develop social responsibility community service .
4. Women Empowerment Cell also resolved to organize awareness programme to sensitize women's safety
5. Eco Club is directed to conduct environment awareness activities.
6. Wifi facility was reestablished in the college campus
7. All departments are directed to organize certificate courses and value added courses.
8. Students were urged to participate in seminars and quiz programmes
9. Field trips make the student to develop their hidden talent, hence all the incharges are entrusted to organize field trips.
